I confirm that I have read the “Conditions of Entry”                      YES / NO

### Conditions of Entry

1. This is a “farmer’s choice” award presented to the most outstanding new piece of agricultural machinery exhibited at the Field Days. Tractors and headers are eligible for entry.
2. It is judged by an independent panel of regional primary producers. Machines manufactured in Australia will attract additional judging points. You should make yourself available with your entry to be judged over Wednesday 24 May 2017 and / or on Thursday 25 May 2017 AM. All entries will be introduced to the public not before 1pm at the Media Tent following the Farm Inventor’s Awards when the winner will be announced.
3. The winning machine has the potential to go on to become a standard piece of equipment on farms throughout Australia.
4. Judging criteria include the machine’s purpose and suitability, scope of application, construction (durability and design), ease of maintenance and service, ease of operation (including operator safety and comfort), ease of adjustment, availability of parts and overall value for money.
5. The Australian market release date for 2017 entries must be between 25 May 2016 and 24 May 2017 i.e. 12 months prior to the field days.
6. The machine must be on site for judging on Wednesday 24 May 2017, the day the Field Days start.
7. Entrants must be registered Exhibitors for the Rotary FNQ Field Days 2017.
8. **HOW TO ENTER:** Fill out the details in the application package when registering for the 2017 Field Days. The following section forms part of the **Site Application Form:**  
**MACHINE OF THE FIELD DAY:** Do you have an entry for Machine of the Field Day? (Please attach more information if there is insufficient space available).
